UP TO 20% FDI IN LIC Govt amends FEMA rules

PRESS TRUST OF INDIA
New Delhi, April 17

THE GOVERNMENT HAS amended rules of the Foreign Exchange Management Act (FEMA), paving the way for up to 20% foreign direct investment in the insurance behemoth, LIC.

The government is planning to dilute its stake in LIC through the initial public offering (IPO). LIC in February had filed the Draft Red Herring Prospectus (DRHP) before the market regulator Sebi for the IPO.

Last month, Sebi gave approval to the draft papers and the insurer is in the process of filing a request for proposal with changes. Following the Cabinet approval, the Department for Promotion of Industry and Internal Trade (DPIIT) on March 14 had amended the Foreign Direct Investment (FDI) policy to facilitate overseas investment in LIC ahead of the mega public offer.

FEMA notification was required to operationalise the provisions DPIIT issued through a press note, including FDI policy changes that will allow large foreign portfolio investors to subscribe to shares of LIC.

"These rules may be called the Foreign Exchange Management (Non-debt Instruments) (Amendment) Rules, 2022," said a gazette notification issued recently.

The notification has inserted a paragraph in the existing policy, allowing up to 20% FDI in LIC through the automatic route.

Since the foreign inflows ceiling for public sector banks is 20% under government approval route as per the present FDI policy, it has been decided to allow foreign investment of up to 20% in LIC and other such corporate bodies.

"Foreign investment in LIC shall be subject to the provisions of the Life Insurance Corporation Act, 1956, (LIC Act) as amended from time to time and such provisions of the Insurance Act, 1938, as amended from time to time, as are applicable to LIC," it said.

Setting the stage for the country's biggest-ever public offering, Sebi has approved the draft prospectus for sale of a 5% stake by the government for an estimated ₹63,000 crore.

According to the draft paper, LIC's embedded value, a measure of the consolidated shareholders' value in an insurance com-

pany, has been pegged at about ₹5.4 lakh crore as of September 30, 2021 by international actuarial firm Milliman Advisors. Although the DRHP does not disclose the market valuation of LIC, as per industry standards it would be about three times the embedded value or around ₹16 lakh crore.

The LIC public issue is expected to be the biggest IPO in the history of the Indian stock market. Once listed, LIC's market valuation will be comparable to top companies like RIL and TCS.

So far, the amount mobilised from IPO of Paytm in 2021 was the largest ever at ₹18,300 crore, followed by Coal India (2010) at nearly ₹15,500 crore and Reliance Power (2008) at ₹11,700 crore.

UK PM Johnson to arrive in Ahmedabad on April 21

BORIS JOHNSON WILL become the first British Prime Minister to visit Gujarat when he lands in Ahmedabad this week for a two-day visit to India for "in-depth talks" with his Indian counterpart Narendra Modi,

according to Downing Street. Johnson's first visit to India as UK Prime Minister will begin on April 21 with a trip to Ahmedabad in Gujarat, which is Prime Minister Modi's home state. Investment announce-

ments in key industries in both the UK and India will take place, Downing Street said in a statement on Saturday.

John-son will then proceed to New Delhi to meet Modi on April 22.
